SUBJECT: GRADUATION REQUIREMENTS

In order to graduate from Homer Central School District, a student must complete or exceed the requirements set forth in Commissioner's Regulations Part 100. The Board of Education reserves the right to establish requirements for graduation which exceed the minimum standards as defined by the New York State Regents.

Regents Diploma with Honors

The District may award a Regents diploma with honors or a Regents diploma with advanced designation with honors to students who receive an average of ninety percent (90%) in all Regents examinations. This "honors" diploma may also be given to a student who has substituted no more than two (2) alternative assessments for a Regents examination as approved by Commissioner's Regulations Section 100.2(f). However, the student's actual score on the substituted alternative assessment will not be factored into the ninety percent (90%) calculation.

Appeal of Regents Examination Score Option

School Districts must provide unlimited opportunities for all students (students with and without disabilities) to retake required Regents examinations to improve their scores so that the student may graduate with a Regents diploma. A student with or without a disability who fails, after at least two (2) attempts, to attain a score of 65 or above on a required Regents examination for graduation must be given an opportunity to appeal such score in accordance with the provisions of Section 100.5(d)(7)(i) of the Regulations of the Commissioner of Education. No student may appeal his/her score on more than two (2) of the five (5) required Regents examinations. A student whose appeal is accepted for one (1) required Regents examination, and who has attained a passing score of 65 or above on each of the four (4) remaining required Regents examinations, and who has attained a passing score of 65 or above on each of the three (3) remaining required Regents examinations, earns a local diploma.

8 New York Code of Rules and Regulations (NYCRR) Sections 100.1(i), 100.2(f) and 100.5
