Dear Community Leaders,

It is with deep regret that this letter comes to you with the news that the Board of Deacons at Homer Congregational Church is no longer able to fund the Homer Youth Center and has closed its doors as of June 19, 2012. We are glad in knowing that we have provided this center for the youth and community for twelve years.

Although no time was good, we agreed that the end of the school calendar year was the best time for the staff and students, as we had exhausted all resources for outside funding and it was no longer financially feasible to provide this mission to the community.

We are hopeful in the future to have the opportunity to have another ministry with community outreach that we can afford monetarily and that feeds us spiritually.

Sincerely yours,
