Dear Board of Education;

We would like to thank you for your help in allowing us to go forward with the purchase and installation of an ice machine in the concession stand. We are very appreciative of Superintendent Nancy Ruscio's support as well as the cooperation of Laird Updyke and his staff in regards to the installation of the machine.

Our reason for asking the district to allow us to donate the ice machine was strictly for safety purposes. We are now able to provide ice to injured players, and spectators. On another positive note, the ice does provide us with a way to keep our product cold, especially during busy Varsity Football games.

This has been in the discussion phase for years and we are so appreciative of the people that made it possible. Lastly, if you are ever in need of another volunteer experience, you are certainly welcome to join us in the concession stand. Again, thank you!

Sincerely,

Lori Dieroff
Homer Athletic Booster Club president
