

SUBJECT: ASSIGNMENT, TRANSFER AND WITHDRAWAL

A student's placement is determined by attendance zones. (Policy #7232) shall attend such school as is designated by the Superintendent of Schools.

The assignment of students to teachers and classes shall consider numerous factors such as, but not limited to, ~~based on the basis of~~ the needs of the students, class size and teacher load, as determined by the Principal.

Transfer of students within the District may be made upon the recommendation of the building principals involved, subject to the final approval of the Superintendent.

Transfers into and out of the district will be made at any time.

No student of compulsory school age shall be withdrawn from regular attendance without the filing of an appropriate exemption certificate and parental permission, along with evidence that appropriate provision has been made for the child's education.
