Subject: NutriKids online web portal

Dear Parent or Guardian:

If you have recently visited the NutriKids online system to view your student's lunch account for any reason, you may have noticed that there have been some changes. The NutriKids online system has been replaced by My School Bucks.

The reasons for the change originate with the vendor that OCM BOCES and Homer CSD contract with for this software service. The services that have been provided by www.NutriKids.com are now located and being provided at www.myschoolbucks.com. The District has been informed that your existing username and password will still work on www.myschoolbucks.com just as it did in NutriKids. Your student's accounts will still be associated with your account.

However you will need to reset your low balance email settings and update your bookmark.

You may learn more about these recent changes by visiting www.myschoolbucks.com and clicking on the link provided. You may also feel free to call the school food service office at 607-749-1216 with additional questions you may have.

Thank you.
