

**Homer Central School
Board of Education
Board Meeting Date: March 12, 2013**

Be it Resolved, that the Homer Central School Board of Education approve the reconfiguration of Grade 6 (currently in the Intermediate School) to move to the Junior High schedule, including all classes, specials, transportation and supervision. This change will take effect as of the 2013-14 school year.

Rationale:

The Homer Central School Board of Education is approving this change after a committee consisting of school administrators, teachers, parents and community members researched consensus on the above recommendation. Currently sixth grade students already travel to the Junior High for their specials. This change will allow for greater instructional time for the sixth grade as a result of being on the Junior High bell schedule.
