

**Homer Central School
Board of Education
Board Meeting Date: March 26, 2013**

Resolution #2

Be it Resolved, that the Homer Central School Board of Education approve the option to move Hartnett Elementary Grade 6 students to the Homer Junior High, along with the Intermediate School Grade 6 students, which results from the previously approved grade reconfiguration resolution.

Rationale:

Seventh grade has typically been the grade for the students to transition into their 7-12 class. With the Homer Intermediate students beginning that process in grade 6, the Homer Board of Education believes that grade 6 Hartnett should integrate at this time as well.
