Attendance Zone Resolution

Be it Resolved, that the Homer Central School Board of Education expands the Hartnett Attendance Zone to include grades K-6 students living between East Homer Baltimore Road to Locus Hill with a Route 13 address only. Grades K-6 Homer District resident students in this zone would have the option of attending Hartnett, Homer Intermediate or Homer Junior High.

Rationale:

This allows for a two way choice for Grades K-6 Homer District resident students to attend Hartnett Elementary, Homer Intermediate or Homer Junior High.
