

2013-2014 Board of Education Presentations

The administrative team would like to plan our Educational Presentations for next year's Board meetings based your input. You can help us prioritize topics that are important to you by completing the following interest inventory.

Please rank the following topics using a five-point scale. Use the space at the end of the list to write in topics you would like to have presented that do not appear on the list.

1 = highest priority 5 = lowest priority
