Re: Textbook disposal
Date: August 22, 2013

I am writing to request permission to dispose of mathematics and English textbooks currently stored in the high school. These books have been replaced by more current textbooks and are no longer used in Homer classrooms, or are damaged. My office has verified that the calculus textbooks are obsolete by checking with the curriculum lead teacher in mathematics. The English department painstakingly inventoried their bookroom in June and the books on this list were recommended for discard.

Upon Board approval, I would like to dispose of:

- 28 copies - *Calculus with Analytic Geometry*, fifth edition, copyright 1994, 1979
- 7 copies - *Adventures in Reading*, copyright 1985, 1980.
- 7 copies - *Elements of Literature*, copyright, 1993, 1989.
- 47 copies - *Eleven Modern Short Novels*, second edition, copyright 1970, 1958.
- 6 copies - *Exploring Life through Literature*, copyright 1964, 1957, 1951
- 5 copies - *Major Writers of America*, copyright 1966
- 3 copies - *England in Literature*, copyright 1979
- 6 damaged copies - *Anthem* by Ann Rand, copyright 1946

Thank you for your consideration.
