To the Board

I would like to bring to your attention the community service the Homer High School Wrestling Team provided the Cortland Branch of the American Association of University Women.

The Cortland branch participates in the, well known, Route 90 Yard Sale. We do this to raise funds for children who would not able to attend summer camp at the Cortland YWCA. This is a project that requires more muscle than our branch members have to offer. This year Coach Jason Reynolds, and a team booster Tracy Petrie organized the team to help us carry items in the morning for set up, and came again at the end of the day to help dispose of unsold goods. Coach Reynolds leadership encouraged his boy's participation in our project, and made clear their contribution to the children of Cortland County.

Yours truly,

Ellen Wright, Fundraising Chair Cortland Branch AAUW
