Dear Ellen,

On behalf of the Homer Athletic and Physical Education Department, I would like to thank you for your generous donation of golf equipment. I was extremely pleased that you thought of our students and athletes to utilize Dennis's many clubs, bags and golf balls! I have entrusted your donation to our current golf coach and high school PE teacher, Sean Malone, to see that we get the best use of this equipment.

As a golfer myself, I know first-hand the attachment and pride we have in our golfing equipment. Please know that our students will benefit greatly from Dennis's legacy and your kind donation.

Sincerely,
