

SUBJECT: COMPREHENSIVE STUDENT ATTENDANCE POLICY**Statement of Overall Objectives**

School attendance is both a right and a responsibility. The School District is an active partner with students and parents in the task of ensuring that all students meet or exceed the New York State Learning Standards. Because the School District recognizes that consistent school attendance, academic success and school completion have a positive correlation, the School District will develop, review and, if necessary, revise a Comprehensive Student Attendance Policy to meet the following objectives:

- a) To increase school completion for all students;
- b) To raise student achievement and close gaps in student performance;
- c) To identify attendance patterns in order to design attendance improvement efforts;
- d) To know the whereabouts of every student for safety and other reasons;
- e) To verify that individual students are complying with education laws relating to compulsory attendance;
- f) To determine the District's average daily attendance for State aid purposes.

Description of Strategies to Meet Objectives

The School District will:

- a) Create and maintain a positive school building culture by fostering a positive physical and psychological environment ~~where-in which~~ the presence of strong adult role models encourages respectful and nurturing interactions between adults and students. This positive school culture is aimed at encouraging a high level of student bonding to the school **community**, which in turn should lead to increased attendance.
- b) Develop a Comprehensive Student Attendance Policy based upon the recommendations of a multifaceted District Policy Development Team that includes representation from the Board of Education, administrators, teachers, students, parents and the community. The District will hold at least one public hearing prior to the adoption of this collaboratively developed Comprehensive Student Attendance Policy.
- c) Maintain accurate recordkeeping via a Register of Attendance to record **the daily** attendance, absence, tardiness ~~or~~ **and/or** early departure of each student.

SUBJECT: COMPREHENSIVE STUDENT ATTENDANCE POLICY (Cont'd.)

- d) Utilize data analysis systems for tracking individual student attendance and individual and group trends in student attendance problems.
- e) Develop early intervention strategies to improve school attendance for all students.

Determination of Excused and Unexcused Absences, Tardiness and Early Departures

Based upon our District's ~~education~~ **educational** and community needs, values and priorities, the School District has determined that absences, tardiness and early departures will be considered excused or unexcused according to the following standards.

- a) **Excused:** An absence, tardiness or early departure may be excused if due to personal illness, illness or death in the family, impassable roads due to inclement weather, religious observance, quarantine, required court appearances, attendance at health clinics, approved college visits, approved cooperative work programs, military obligations, **driver license road test** or other such reasons as may be approved by the Board of Education.
- b) **Unexcused:** An absence, tardiness or early departure is considered unexcused if the reason for the lack of attendance does not fall into the above categories.(e.g., family vacation, hunting, babysitting, hair cut, obtaining learner's permit, oversleeping, **lunch – except for those students in grade 12 with open lunch privileges who are considered excused when signing in and out for lunch**).

Student Attendance Recordkeeping/Data Collection

The record of each student's presence, absence, tardiness and early departure shall be kept in a register of attendance in a manner consistent with Commissioner's Regulations. An absence, tardiness or early departure will be entered as "excused" or "unexcused" ~~along~~ with the District code **number** for the reason.

Commencing July 1, 2003, attendance shall be taken and recorded in accordance with the following:

- a) For students in non-departmentalized kindergarten through grade six (i.e., self-contained classrooms and supervised group movement to other scheduled school activities such as physical education in the gym, assembly, etc.), such student's presence or absence shall be recorded after the taking of attendance once per school day.
- b) For students in grades seven through twelve, each student's presence or absence shall be recorded after the taking of attendance in each period of scheduled instruction except ~~occasions in which that where~~ **occasions in which that where** students do not change classrooms for a period of scheduled instruction, **when** attendance shall be taken in accordance with paragraph "a" above.

- c) Any absence for a school day or portion thereof shall be recorded as excused or unexcused in accordance with the standards articulated in this policy.
- d) In the event that a student at any instructional level from kindergarten through grade twelve arrives late for or departs early from scheduled instruction, such tardiness or early departure shall be recorded as excused or unexcused in accordance with the standards articulated in this policy.

A record shall be kept of each scheduled day of instruction during which the school is closed, for all or part of the day because of extraordinary circumstances including adverse weather conditions, impairment of heating facilities, insufficiency of water supply, shortage of fuel, destruction of or damage to a school building, or such other cause as may be found satisfactory to the Commissioner of Education.

Attendance records shall also indicate the date when a student withdraws from enrollment or is dropped from enrollment in accordance with Education Law Section 3202(1-a).

At the conclusion of each class period or school day, all attendance information shall be compiled and provided to the designated school personnel who are responsible for attendance. The nature of the absence, tardiness or early departure shall be coded on a student's record in accordance with the established District/building procedures.

Student Attendance/Course Credit

The District believes that classroom participation is related to and affects a student's performance and grasp of the subject matter and, as such, is properly reflected in a student's final grade. For purposes of this policy, classroom participation means that a student is in class and prepared to work.

Consequently, for ~~the each~~ marking period a certain percentage of a student's final grade will be based on classroom participation as well as the student's performance on homework, tests, papers, projects, etc. as determined by the building administrator and/or classroom teacher.

Students are expected to attend all scheduled classes. Consistent with the importance of classroom participation, unexcused student absences, tardiness, and early departures will affect a student's grade, including credit for classroom participation, for ~~the that~~ marking period. All students will be informed at the beginning of each course the weight given to class participation. Teachers are also expected to inform parents at Open Houses regarding class participation weighting.

Students who are absent from class due to their participation in a school-sponsored activity **must** **are to** arrange in a timely manner with their teachers to make up any work missed **in a timely manner** as determined by each **the student's** teacher. Attendance at school-sponsored events where instruction is substantially equivalent to the instruction which was missed **shall** be counted as the equivalent of regular attendance in class.

Upon returning to school following a properly excused absence, tardiness or early departure, it shall be the responsibility of the student to consult with his/her teacher(s) regarding arrangements to make up missed work, assignments and/or tests in accordance with the time schedule specified by the teacher.

The student may also be requested to attend this conference in order to address appropriate intervention strategies that best meet the needs of the student.
