

Math Options at Homer High School

November 18, 2014

Notes: (*) Dual Credit course with TC3, (**) Dual Credit and AP Course, (***) Dual Credit and CTE Course
 Grade 7- 10 students with disabilities may have a special class (based on CSE recommendation) in Math to earn credit.

Students also may earn Math courses through programs offered by OCM BOCES.

90 or better on A2/Trig Regents score of 90 or greater is used to evaluate decision to skip Pre Calculus.

Decision of Regents vs. first year of two year course is based on prior year performance in course and state exams.

Options with low enrollment for Calculus BC/2

- Offer Calc BC with lower than normal enrollment, if staffing permits.
- Calculus 2 is offered as a second semester course by neighboring schools. Would our students be able to access with agreement with our neighbors.
- Some schools offering Calculus 2 to others via distance learning. TC3 working to provide list of possible partners to do this.
- Online learning option via Cayuga Onondaga BOCES.
- TC3 College Now offers Statistics online. (\$70/credit)
