

# INTRODUCING BLAKE FLY!

**SAVE THE DATE!! MONDAY MARCH 16<sup>th</sup>**

## **STUDENTS:**

The Homer District Character Education Committee is pleased to present a motivational speaker for students in grades 6th through 12th, during 3 separate presentations for students on Monday March 16th. Blake will start at the High School with presentations for 9th- 12th graders. Later in the day, he will be at the Jr. High for 6th-8th graders.

Teens need to focus on what matters in their world. Friends matter. Family

matters. Grades matter. Decisions matter. Most importantly, teenagers want to feel like they matter. They want to be invited to the party, noticed in the hallway, and simply included in a conversation. When high school ends, students just want to be remembered. Blake inspires students to leave a positive high school legacy in a way that makes them difficult to forget.

Blake uses live music, storytelling and appropriate humor to shed a bright light on the ups, downs and opportunities in high school life. He opens up about his struggles and strong points of secondary school to inspire students to leave their school (and the people in it) better than how they found it. Students leave Blake's programs with a heightened appreciation of their school, their peers and themselves. Blake equips students with fun ways to say thank you and appreciate others in person and online. Students will rethink the significance of their high school life, and the positive impact they can have on peers, teachers, friends and family along the way.

## **PARENTS:**

On the evening of March 16th at Bonne' Auditorium, he will do a parent information night to let you know the message that he gave to your children earlier in the day. Be ready to be entertained as he delivers his powerful message to the students of Homer through songs and stories!
