Mr. McGory

Can you please get approval at the February board meeting. We really appreciate your support. If you have any questions or concerns my contact info is at the end of the email.

see below:

The Homer Elementary PTO plans to hold a walk-a-thon on May 1, 2015. This would be a building wide event in conjunction with character education. Students would seek pledges from friends and family both near and far. All students would receive a t-shirt for walking in the event, which would list local business that sponsored the walk-a-thon. 25% of the profits from this would go to Mended Little Hearts, which works nationally and in local communities to support children with congenital heart defects and their families.

The event will last an hour and different grades will walk throughout different locations in the school, during which music will play and there will be different activities during each lap. Laps will be led by local fireman, police officers as well as other volunteers who are willing to give their time to help this worthwhile cause.
