Dear Homer Board of Education:

Puzzle Solvers is a local, non-profit organization with a simple mission...to provide resources, increase awareness and raise funds for families and individuals impacted by autism spectrum disorders so they can enhance their quality of life.

With the generosity of our terrific community we have been able to raise funds to distribute to local families, our local schools and the Racker Center. It has come to our attention that the Homer High School could use 5 iPads and covers for the Life Skills Classroom. We are happy to provide those to them.

Please let us know if you’ll accept our donation and we’ll get things ordered.

Thank You-

Kimberly Friedman
