RE: Student Council Activities 2014- 2015

The Student PRIDE Council would like to have a fundraiser to raise money for Puzzle Solvers to promote Autism Awareness. We will be having an Autism Awareness Walk on April 30th from 1:45- 2:45 on the fields behind the Intermediate School. Our students thought this would be a great time to fundraise and tie awareness into our word of the month for April, which is acceptance.

We have many students in the Homer Intermediate School who have Autism who are proud of who they are and would like to bring more awareness to their fellow classmates.

To assist in promoting awareness, the PRIDE Council, along with help from the SCA will sell t-shirts for \$8.00 to students and staff. The proceeds will be donated to the Puzzle Solvers Foundation, which supports Autism research.

We are hoping to make this an annual fundraiser and continue to bring Autism Awareness to our Homer Community. We hope the Homer Board of Education will allow us to participate in this fundraiser and join us for the walk.

Thank you,
Homer Intermediate PRIDE Council
