*"Benefits schools of your choice"*

Fall 2015

Earlier this school year we put on our 7<sup>th</sup> Annual CNY Bread Run, Half Marathon and 5k races, in Fabius, New York. Sponsored by the Bread for Schools Run Corp, a 501c3 nonprofit, our purpose is to raise money for schools. Because of the outstanding support from our sponsors once again this year, we are able to send 100% of each runner's entry fee to their designated school. This is our fourth consecutive year to reach this milestone.

The runner(s) listed below designated your school or school district to be the beneficiary of their efforts. A single check has been sent to each school district office with the information as to how runners designated their entry fee whether it be the district or a school within the particular district. Also, included in this mailing is a list of our Bread Run sponsors.

It is interesting to hear about how schools use the check in their school, information that we sometimes pass along, particularly to our sponsors. Whether it be a few dollars or a few hundred dollars, we have found that the sponsors are interested and it motivates them to continue their support. We will not use the name of your school should you choose to share this information with us.

Once again this year runners spoke of how well the Bread Run is organized with attention given to the important details. Overall numbers of runners were down this past year throughout the area, but we held our own and are looking forward to **September 18, 2016. Please consider joining us** for a healthy lifestyle activity by sending runners from your community, staff members, and those of any age who are considering the activity. Walkers are welcome in the Fun Run and 5k. (Don't forget the "0"k event as a fund raiser.....those who cannot or do not want to run or walk one of the events can donate an amount in your school's name and 100% goes to the designated school) Check our website: [www.BreadRunatFabiusNY.org](http://www.BreadRunatFabiusNY.org).

Congratulations to Tully Central School District for sending the most runners which gave them the additional bonus of winning the Nice N /Easy Grocery Shoppes \$200 cash award for a total of \$657.

Please consider the 2016 Bread Run.

Sincerely,

*Larry Carr*
