SUBJECT: COMMUNICABLE DISEASES (PERSONNEL)

No employee's right to an employment shall be interrupted or curtailed solely on the basis of HIV status. The disclosure of HIV-related information shall be permitted only in accordance with applicable law and regulations.

The Superintendent shall promulgate administrative rules and regulations based upon recommendations from the New York State Education Department and other appropriate sources, including medical authorities, after consultation with appropriate District staff. Such regulations shall include procedures for dealing with body fluids on District property, and shall emphasize the importance of staff awareness.

This policy shall be reviewed on an annual basis and revised as necessary to comply with all applicable laws and regulations.
