HOMER CENTRAL  
SUPERINTENDENT'S OFFICE

The Athletic Booster club has purchased new Olympic weightlifting equipment for our redesigned free weight room which is scheduled to open with our new construction project. The total cost of the equipment is \$5,262.75 which they have fully funded through their fundraising efforts.

The coaching staff has been involved with the design of the room and purchase of this equipment so that it will greatly benefit our students and athletes.

I would ask that the district formally accept this donation with thanks to the Athletic Booster club.

Thank you for your consideration.
