to me

Dear Jeff,

We understand summer is still a long way away but we are just trying to get everything set up as early as we can. Thank you for all of your help in the past and always being accommodating to us we are truly grateful. This summer we will again be at Barry Elementary School for our summer camp. We already have our field trip dates and destinations set up for you guys. Here is the list of dates and destinations

July 7th- Skaneateles YMCA

July 14th- Nathaniel Cole State Park

July 20th- Syracuse Chiefs baseball game

July 22nd- Cortland Repertory Theater

July 28th- Dorchester State Park

August 4th Wild Adventure Park/Zoo in Syracuse

August 11- Greenwood State Park

August 18th- Skyzone (Erie Boulevard Syracuse)

For all of our field trips we will be in need of two buses. The only week where anything will be different is The July 20th and 22nd dates where for each of those trips we will only need one bus for each tentatively as they camp will be split for those. As of right now were also waiting on the Wickwire pool project to see if they will be opening this summer. If they do open we would also like to possibly add two days a week to go to Wickwire pool. Our departure time for all of field trips is usually 10 am and we return around 3-3:30. The only trip that would have a different time is July 22nd to the Cortland RPT where we need to leave by 9:15 and probably return by 1:00. That is all that we have set for now and i hope its enough to get started. Again thank you Jeff for all your help.

Sincerely,

Mike Freeman
