to me

Hi Jeff,

I am the new secretary at the OCM BOCES Science Center, taking over for Cathy Bovee who retired. I would like to know if Homer is interested in again this year providing bus transportation for our Marine Program.

The trip this year would be from Sunday July 23rd - Friday July 27th and would follow the same itinerary as last year. I have attached last year's agreement.

Please let me know if you need anything else from me, and I look forward to working with you on this!

Thank you!
