RE: Fundraiser for Puzzle Solvers

Our Character Education Committee would like to raise money for Autism Awareness. To raise money for this wonderful group, we would like to sell t-shirts designed by one of our students in the Intermediate School. All money collected from the t-shirt fundraiser will be donated to Puzzle Solvers.

The last two years we have held an autism walk outside in the spring. This year we are looking to change things up and have a dance-a-thon in our gym. The date of this event is TBA, but we would love it if you could all join us.
