

Pajama/Book Drive

Dear Board Members,

I am once again looking to help some of the neediest children in our area this holiday season. For the past 8 years (5 of which I have been a Chapter President), I have organized a Pajama/Book Drive that has brought in an overwhelming number of NEW pajamas and books from the community to be donated locally. With your go ahead, I would like to do this again. All of the collected pajamas and books will be donated to agencies within Cortland County.

Many children have never received anything new before and a gift like this could be the only items they receive all year. The Pajama Program believes that: *The right to a loving good night is inherent and universal, one shared by all children, regardless of their family circumstances.*

All books/pajamas will need to be donated by 12/13/17 so they can be counted, sorted, and delivered to the local receiving organizations. The Homer community has always been so supportive and generous to this program.

I welcome you to find out more information at either:
