RE: Mini Grant Donation

Dear Board of Education Members,

The members of the Homer intermediate SCA have voted upon donating monies to the Homer Intermediate Teachers. This money is allocated in the form of a mini-grant. The grant is in the amount of \$250 per teacher (can be combined among teachers for shared resources). A request form was sent to each teacher to fill out. Attached you will find the list of items the teachers have requested. I have reviewed each request and verify that no teacher or group of teachers has exceeded their allotted amount.

We are very pleased that we can help teachers put supplies in their rooms that will enable our students to grow and excel in the classroom setting. These are items that financially do not fit in the budget and are too costly for teachers alone to support individually. Our fundraising efforts allow us to support this proposal.

I would like to request approval of these purchases as a donation on behalf of the Homer Intermediate SCA. We have set a budget of \$5,250 to this program (\$250 at 21 teachers). The total may vary depending on shipping and taxes. I am also willing to entertain late submittals through the end of next week if acceptable.

Should you have any questions, please do not hesitate to contact me directly. My contact information is found below in my signature.

Thank you for your time and consideration. I look forward to your anticipated approval.

Sincerely,

Melissa Burt

President, Homer Intermediate SCA
